

ELECTRICITY SUPPLY INDUSTRY SCHOLARSHIPS

Train now for an exciting career in the electricity supply industry – applications are now open for Eastern Bay Energy Trust 2011 Scholarships.

The Eastern Bay Energy Trust wishes to attract young people into the electricity supply industry.

The Trust is committed to supporting the training and development of new entrants into this exciting and diverse industry, through its Scholarship Programme, in conjunction with the Electricity Supply Training Organisation (ESITO).

Residents in the Whakatane, Kawerau and Opotiki Districts, and Kaingaroa Village can apply for scholarships for the 2011 tertiary year.

These scholarships provide financial assistance, mentoring and possible linkages into the industry.

For more information go to www.esito.org.nz and follow the 'Scholarship' link or phone ESITO on 0800 437 486 during office hours for an information pack.

APPLICATIONS CLOSE 31 OCTOBER 2010

Scholarships will be offered for pre-trade, diploma and degree education in the electricity supply and electrical sectors.

HORIZON ENERGY SCHOLARSHIP
offered to 3rd year engineering student (electrical)
