

These scholarships are to support new career development for employees currently employed in the industry by ESITO member companies. They help fund skill development which is outside an employee's current training programme. To be eligible, employees will need have completed their first career pathway. The purpose is to help retain employees in the industry and to address the skill shortages identified by the industry and the Gap Research (undertaken for ESITO by the University of Otago).

The scholarships could include funding for:

- National Certificates (For guidance please refer to the Qualifications section of our website)
- National Diplomas
- Degrees and postgraduate study
- One-off courses
- Secondments

Scholarship money, if awarded, will be reimbursed for training and associated costs. Scholarship applications will be accepted throughout the year and reviewed by a member of the review panel. The review process takes approximately six weeks to complete.

UpSkill Scholarships are available for employees of ESITO Member Companies only. Applicants who are registered for ESITO Special Funding are not eligible to apply for an UpSkill Scholarship for that qualification.

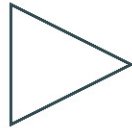

To apply, please submit to ESITO all of the following items from the checklist:

Checklist

- * Completed application form (employer to send back Reference on page 7 separately)
- * A current Curriculum Vitae
- * Proof of course enrolment/statement of account (from Training Provider)
